Response to Intertek Group plc ("Intertek") announcement

EQT X EUR SCSp and EQT X USD SCSp (collectively referred to as "EQT"), each represented by its manager (gérant) EQT Fund Management S.à r.l., notes the announcement by Intertek today.

EQT confirms that the Board of Intertek unanimously and unequivocally rejected EQT's improved indicative proposal of £58.00 in cash for each Intertek share (the "Further Increased Proposal") on 8 May 2026. The Further Increased Proposal follows EQT's two prior possible cash offers made to the Board of Intertek, both of which were rejected.

EQT is disappointed by the Board's lack of engagement in relation to the Further Increased Proposal, and by its characterisation of the proposal as presenting significant execution risk, particularly given that constructive dialogue is necessary to assess and progress a proposal in the interests of all shareholders.

EQT believes the Further Increased Proposal delivers certain and accelerated cash value for shareholders, superior to the range of outcomes associated with Intertek's standalone prospects.

Together with the FY25 Final Dividend, the Further Increased Proposal represents a total value to Intertek shareholders of up to £59.077 per Intertek share, comprising:

- £58.00 per share in cash consideration (the "Cash Consideration"); and
- the final dividend for the 2025 full year of up to 107.7 pence per share announced by Intertek on 3 March 2026 (the "FY25 Final Dividend"), which Intertek shareholders may receive and retain if approved at the Intertek Annual General Meeting on 20 May 2026 without any reduction to the Cash Consideration.

As set out in EQT's announcement on 5 May 2026, the Cash Consideration under the Further Increased Proposal represents a premium of:

- 54% to the closing share price of £37.70 per share as at 9 April 2026 (being the day before EQT submitted its initial proposal to Intertek); and
- 56% to the 1-month VWAP of £37.18 per share as at 9 April 2026 (being the day before EQT submitted its initial proposal to Intertek).

If the FY25 Final Dividend is declared and paid in full, the total value of the Further Increased Proposal represents an attractive premium of up to:

- 57% to the closing share price of £37.70 per share as at 9 April 2026 (being the day before EQT submitted its initial proposal to Intertek); and
- 59% to the 1-month VWAP of £37.18 per share as at 9 April 2026 (being the day before EQT submitted its initial proposal to Intertek).

EQT is a disciplined investor. There can be no certainty that any firm offer will be made.

In accordance with Rule 2.6(a) of the Code, EQT is required, by no later than 5.00 p.m. on 14 May 2026 (the "PUSU Deadline"), either to announce a firm intention to make an offer for Intertek in accordance with Rule 2.7 of the Code or to announce that it does not intend to make an offer, in which case the announcement will be treated as a statement to which Rule 2.8 of the Code applies. The PUSU Deadline may be extended with the consent of the Panel on Takeovers and Mergers (the "Panel") in accordance with Rule 2.6(c) of the Code.

In accordance with Rule 2.5 of the Code, EQT reserves the right to make an offer for Intertek on less favourable terms than those set out in this announcement or the Further Increased Proposal: (i) with the agreement or recommendation of the Board of Intertek; (ii) if a third party announces an offer or possible offer, including a partial offer, or firm intention to make an offer for Intertek which, at that date, is of a value less than the value implied by the Further Increased Proposal, including where any such announcement is made by Intertek; or (iii) following the announcement by Intertek of a Rule 9 waiver transaction pursuant to the Code or a reverse takeover. EQT reserves the right to introduce other forms of consideration and/or vary the mix or composition of consideration of any offer.

EQT reserves the right to reduce the terms of the Further Increased Proposal by the amount of any dividend, distribution or other return of value which is announced, declared, made, paid or becomes payable by Intertek after the date of this announcement, other than the FY25 Final Dividend if approved at the Intertek Annual General Meeting on 20 May 2026.

Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1% or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 pm (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 pm (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1% or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on
