Intertek Group plc ("Intertek")

Response to possible offer announcement by EQT

The Board of Intertek notes the recent announcement by EQT X EUR SCSp and EQT X USD SCSp (collectively referred to as "EQT"), each represented by its manager (gérant) EQT Fund Management S.à r.l..

Intertek confirms that on 11 May 2026, it received a final*, unsolicited, indicative and conditional proposal from EQT to acquire the entire ordinary share capital of Intertek (the "Final Proposal"). The Final Proposal comprised £60.00 per share in cash (the "Cash Consideration"). This follows the previous EQT proposals of £51.50, £54.00 and £58.00 per share in cash, which were rejected by the Board of Intertek.

Under the terms of the Final Proposal, Intertek would be entitled to pay the final dividend of up to 107.7 pence per share for the 2025 financial year (announced by Intertek on 3 March 2026), which Intertek shareholders would be entitled to receive and retain if approved at the Intertek Annual General Meeting on 20 May 2026 without any reduction to the Cash Consideration.

As with EQT's previous proposals, the Board of Intertek is reviewing EQT's Final Proposal with its advisers and a further announcement will be made in due course.

There can be no certainty that any offer will be made nor as to the terms on which any offer might be made. Accordingly, Intertek shareholders are advised to take no action at this time.

In accordance with Rule 2.6(a) of the Code, EQT is required, by not later than 5.00 p.m. on 14 May 2026, to either announce a firm intention to make an offer for Intertek in accordance with Rule 2.7 of the Code or announce that it does not intend to make an offer, in which case the announcement will be treated as a statement to which Rule 2.8 of the Code applies. This deadline can be extended with the consent of the Panel on Takeovers and Mergers (the "Panel") in accordance with Rule 2.6(c) of the Code.

*The financial terms of the Final Proposal are final and will not be increased, save that EQT has reserved the right to increase the financial terms of the Final Proposal where: (i) there is an announcement on or after 12 May 2026 of an offer or possible offer, including a partial offer, or a firm intention to make an offer for Intertek by any third party offeror or potential offeror, including where any such announcement is made by Intertek; or (ii) the Panel otherwise provides its consent.

For the purpose of Rule 2.5(a) of the Code, this announcement has been made by Intertek without the prior agreement or approval of EQT.

The person responsible for arranging for the release of this announcement on behalf of Intertek is Ida Woodger.

Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1% or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified.

An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) of the Code applies must be made by no later than 3.30 pm (London time) on the 10th business day following the commencement of the offer period and, if appropriate, by no later than 3.30 pm (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1% or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8 of the Code. A Dealing Disclosure by a person to whom Rule 8.3(b) of the Code applies must be made by no later than 3.30 pm (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3 of the Code.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4 of the Code).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Takeover Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0) 20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.
