Our Sectors

MARINE AND CARGO INSPECTION / SURVEY SERVICES

Cost effective Marine and cargo inspection / survey services delivered with our Total Quality Assurance promise

Intertek is the preferred partner for inspection and surveying services in India and globally through our team of experienced, locally- based marine surveyors including master mariners & marine engineers who specialise in draft surveys, bulk cargo inspections, supercargo, marine insurance and bunker and condition surveys.

Our Expertise

In Intertek is a Total Quality Assurance provider to industries worldwide. Through our global network of state-of-the-art facilities and industry-leading technical expertise we provide innovative and bespoke Assurance, Testing, Inspection and Certification services to customers.

We operate three top-tier NABL-accredited laboratories in Mumbai, Jamnagar, and Chennai. These state-of-the-art facilities are equipped to perform comprehensive analyses on a diverse range of products and commodities, including bunker fuels, lubricating oils, and effluents.

For Marine, we have a skilled team of professionals including Master Mariners and Marine engineers to handle your nominations in best professional way and assuring protection of your interests.
